SAFETY DATA SHEET

SECTION 1: CHEMICAL PRODUCT AND COMPANY IDENTIFICATION

Product Name: Pachamama - Melon Pop Rocks Concentrate
Formula #: KMPR111020A
Product Description: Concentrate
Recommended Use: E-Liquid Flavor Concentrate
Manufacturer: Five Star Juice
22873 Lockness Ave
Torrance, CA 90501
Phone: 310 257 1198

SECTION 2: HAZARD IDENTIFICATION

Signal Word: Warning

Hazard Statements:
May cause eye irritation
May cause skin irritation
Maybe harmful if swallowed

Hazard Pictogram:

Precautionary Statements-Prevention
Do not get in eyes, or on skin. Do not swallow. Wash hands thoroughly after handling.

Precautionary Statements-Response
If swallowed, rinse mouth and seek medical attention immediately. If in eyes, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Seek medical attention. If skin contact occurs, wash exposed area with plenty of water. Remove contaminated clothing and launder before reuse. Get medical attention.

Precautionary statements-Storage
Keep containers tightly closed in a dry, cool and well-ventilated place. Store in a cool or low-temperature, well-ventilated, dry place away from heat and ignition sources.

Precautionary Statements-Disposal
Dispose contents or containers in accordance with local regulation.

Hazards Not Otherwise Classified (HNOC)

None

SECTION 3: COMPOSITION/INFORMATION ON INGREDIENTS

Mixture contains:

- Artificial/Natural Flavorings

SECTION 4: FIRST AID MEASURES

Eyes
In case of contact, immediately flush eyes with plenty of water for at least 15 minutes.
Skin
In case of contact, flush skin with plenty of water.
Swallowing
Clean mouth with water and drink plenty of water.
Inhalation
If inhaled, move to fresh air.

SECTION 5: FIRE FIGHTING MEASURES

Flash Point: No Data
Explosion Hazards: No Data
Extinguishing Media
Foam, water fog, carbon dioxide, dry chemical
Fire Fighting Instructions
Wear full protective equipment and self-contained breathing apparatus with independent air circulation. Containers exposed to fire or high temperature cool with water and if possible remove from the danger zone. Absorb with liquid-binding material. Keep out of drains, surface waters and soil against pollution.

SECTION 6: ACCIDENTAL RELEASE MEASURES

Small Spill
Absorb product with absorbent material and clean area with detergent and hot water.
Large Spill
Use gloves and other personal protective equipment like safety glasses or googles if splash hazard exist.

SECTION 7: HANDLING AND STORAGE

Handling

Keep away from heat. Keep away from sources of ignition. Empty containers may pose a fire risk; evaporate the residue under a fume hood. Ground all equipment containing material. Do not ingest. Do not breathe gas/fumes/vapor/spray. Wear suitable protective clothing.

Storage

Store in a tightly closed container.

SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

Engineering Controls: Provide exhaust ventilation or other engineering controls to keep the airborne concentrations of vapors below their respective threshold limit value. Ensure that eyewash stations and safety showers are proximal to the work-station location.

Personal Protection: Safety glasses. Lab coat. Vapor respirator. Be sure to use an approved/certified respirator or equivalent. Gloves.

Eye/face protection: Safety glasses.

Skin Protection: Wear suitable protective clothing.

Respiratory protection: If exposure limited are exceeded or irritation is experienced, NIOSH/MSHA respiratory protection should be worn. Positive-pressure supplied air respirators may be required for high airborne contaminant concentrations. Respiratory protection must be provided in accordance with current local regulations.

Thermal Hazards: Is not required.

Environmental exposure controls: No data.

SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

Appearance: Clear viscous liquid.

Color: Clear - Light Amber

Odor: Fruit Aroma

Specific Vapor Density
N/A (Air = 1.0)

Specific Gravity
Flash point
1.05 – 1.1 @ 25°C (H2O = 1.0)

Refractive Index
N/A

pH@ 25°C: N/A

Viscosity @ 25°C: N/A

Boiling Point
Not established

Melting Point
N/A

Vapor Pressure
N/A

Flash point: Not established

Solubility in water : Soluble

SECTION 10: STABILITY AND REACTIVITY

Conditions to avoid: Avoid temperatures above 25°C

Stability: This product is stable under normal conditions of storage. Keep in a cool well ventilated place.

SECTION 11: TOXICOLOGICAL INFORMATION

This mixture has not been subjected to toxicological testing but has been blended from materials with established toxicological bibliographies. In view of the difficulty of using current standard toxicological evaluation techniques to predict potential hazards to

susceptible individuals or arising from unforeseeable potentiation, this preparation should be considered and handled as if it displayed health hazards and consequently treated with all possible precaution.

SECTION 12: ECOLOGICAL INFORMATION

Toxicity: Not specified.
Persistence and degradability: Not specified.
Bioaccumulative potential: Not specified.
Mobility in soil: Soluble in water, may penetrate into the soil.
Results of PBT and vPvB assessment: Not applicable.
Other adverse effects: Not specified.

SECTION 13: DISPOSAL CONSIDERATIONS

This material, as supplied, is not a hazardous waste according to Federal regulations (40 CFR 261). This material could become a hazardous waste if it is mixed with or otherwise comes in contact with a hazardous waste, if chemical additions are made to this material, or if the material is processed or otherwise altered. Consult 40 CFR 261 to determine whether the altered material is a hazardous waste. Consult the appropriate state, regional, or local regulations for additional requirements.

SECTION 14: TRANSPORT INFORMATION

Not regulated per IATA.

SECTION 15: REGULATORY INFORMATION

California Prop. 65 – This product does not contain chemicals known to the State of California to cause cancer, birth, or any other reproductive defects.
This product meets the EPA 'Hazard Categories' defined for SARA Title III Sections 311/312.

SECTION 16: OTHER INFORMATION

Note:
SDS prepared by: Kansley Mallari
Date: 04/20/22

This information is furnished without warranty, expressed or implied, except that it is accurate to the best knowledge of Five Star Juice. The data on this MSDS are related only to the specific material designed herein. Five Star Juice assumes no legal responsibility for use or reliance upon these date. The information provided in this Safety Data Sheet is accurate at the date of publication and it is subject to change, correction and/or revision without notice. Because of such changes, the user is cautioned that they should always confirm that they have the most recent version.
